CAPABILITY STATEMENT

ABOUT US

Established in 2019, Ways of Excellence LLC is a professional services organization that provides: Youth Empowerment, Academic Enrichment, Group Coaching, Group Mentoring, Trainings, Workshops and Seminars to youths.

We specialize in teaching Principles and Disciplines of Excellence that lead to growth and success to youths. Our goal is to equip our future leaders of tomorrow with principles and strategies that will lead them to become effective and responsible adults and citizens of the community.

Our CEO – Adeyinka MBA, PMI-PMP, TEFL, TEYL is a Thought Leader on Excellence Development Principles. She is also a Published Author.

Adeyinka comes with 15+ years of experience and outstanding record of success in organizations that include Fortune 500 Multi-Nationals with 65,000+ employees and over \$20 Billion in Revenue.

She has spent the last 3 years equipping youths with strategies and tools to help them excel in their academics, become effective communicators (written and oral), strong problem solvers and leaders.

Adeyinka is a panel member on the Cascade Grants Program at the University of Nottingham, United Kingdom.

CORE COMPETENCES

- Leadership Development Workshops and Assemblies.
- Group Mentoring and Coaching.
- Effective Communication and Writing Clinics.
- Principles and Disciplines of Excellence Workshops

PAST PERFORMANCE

South Nassau Developmental Sports, Baldwin, NY

Workshop on Excellent Sportsmanship

This is our 2nd year working with SNDS. The players now display outstanding sportsmanship and camaraderie at games and during training sessions.

DIFFERENTIATOR

Our structured trainings, seminars and workshops, have helped our students and young adults develop:

- Strong Study and Organizational Skills.
- Habits of Excellence that lead to success in academics and life.
- Outstanding Sportsmanship
- Critical Thinking and Problem Solving Skills.
- Our Writing Workshop Alums have gone on to become effective and confident communicators (written and oral)

Ways of Excellence LLC Summer Writing Clinic + Excellence Class

Our Summer Writing Clinic is a group program offered to Middle and High School Students. It is a 4-Week Program that helps students prepare for the next grade level.

Students learn Effective Writing Strategies and Principles of Excellence. The clinic is designed to prevent the dreaded summer academic slide. Our students are also equipped with principles that make them well-rounded young adults.

Varsity Tutors

- Study and Organization | Planning

Many students struggled with remote learning at the height of the pandemic. Our founder – Adeyinka has used her expertise to help 20+ middle school and high school students develop an effective daily routine, organize their schedule and plan their school days.

- She received a 5/5 Rating from parents of students.
- Students regained confidence in learning: which translated to improved performance at school and significantly higher grades.
- Students averaging 50/60% averaged 90%+ by end of week 4.

FEATURED CLIENTS
